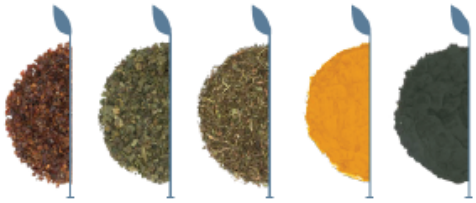
AGRICOLE FORTE

AGRICOLE FORTE FORTE WAFER LINE

EquiHerbal

Complementary feed based on Dehydrated Alfalfa and Selected Herbs



EquiHerbal is an exclusive long-fibre wafer made from our premium-quality dehydrated alfalfa, enriched with a carefully selected blend of natural herbs.

These herbs are known for their beneficial effects on digestion, respiratory health, joints, liver and kidney function, the immune system, and overall vitality.

Only first-choice herbs are used, ensuring quality, purity, and effectiveness.
